The picturesque village of Salema is in a valley, snuggled beside the ocean and a sandy beach. Much of its traditional charm still remains. Along the beach fishermen mend their nets and pots beside colourful boats.

Salema boasts a handful of shops, bars and not surprisingly fabulous seafood restaurants huddled amongst whitewashed fishermen's cottages.

Nearby is the San Antonio Golf & Spa resort, famous for the range of activities, including one of Europe's most picturesque Par 71 golf courses, golf academy, tennis academy, bowling green, swimming, children's activities during school holidays as well as horse riding and walking in the nearby Costa Vicentina Nature Reserve.

At the heart of the resort lies a Spa with health and beauty center, together with a gymnasium, exercise studio with daily classes, personal training and a relaxation suite offering a sauna, steam room, spa pool, solarium and an indoor heated pool.
