Property **Description**

Castello Izzalini is placed on a hilltop, near the border with the Tiber Valley, an ancient medieval hamlet built at the beginning of XIII Century, and is one of the most evocative villages around Todi. Castello Izzalini's ancient construction has been refurbished to high standards and equipped with all comforts. The restoration works were carried out using traditional materials and with great attention towards the architectural importance of the buildings. Palazzo Izzalini today consists in 15 elegant apartments. Fine and elegant furniture, hard wood flooring, warm colours, fine Italian ceramics and mosaics contribute to create an enchanting atmosphere. All the apartments are equipped with kitchen facilities and modern technologies. The property is surrounded by a large land of 16,000 sqm (buildable lot), suitable for different purposes. The position is panoramic, reserved and quiet, although being only 10 km from Todi's historical centre.
